

## **TravelTailors celebrates 10 years of tailor-made journeys**

Last March 8, **TravelTailors** celebrated 10 years of fantastic travel experiences! And before the quarantine, there was still time to gather the team and some of our friends and customers.

We will **continue to work to create another 10 years of inspiring travel**, and we hope you will be with us to help us celebrate!

## Don't Skip Hope

We are at a unique moment worldwide, without being able to make immediate travel plans within or outside our own countries. It is our responsibility to safeguard the well-being of our customers and, with this in mind, we share this video from the Portuguese Tourism Board that conveys everything we have to do now so that we can plan amazing travel experiences to Portugal in the near future!

Best wishes from the TravelTailors team
